Interested in the role of a Software Engineer where I can contribute my analytical skills and knowledge acquired by pursuing my degree in Software Engineering. .

EDUCATION

Study Program

Virtual University of Pakistan

09/2020 - Present

Narowal

Courses

- BS Software Engineering

WORK EXPERIENCE

Tech Lead

GDSC

08/2021 - Present

Achievements/Tasks

- Google Developer Student Clubs (GDSC) are community groups for university students interested in Google developer technologies. By joining a GDSC, students grow their knowledge in a peer-to-peer learning environment and build solutions for local businesses and their community. I've been appointed as a Tech Lead for my chapter. My core duties are to manage and lead all tech related activities.

Python Developer

Confidential

09/2021 - Present

Achievements/Tasks

- I have been working as a Software Engineer at a local software house in Lahore for quite some time. Mainly my job revolves around python and its frameworks but are not limited to it. Usually I wear multiple hats to get the job done. I have worked on and completed multiple live projects in this role.
